

## Athletic Training (M.A.T.)

The Master of Athletic Training two-year program will begin May 2025.

### **Admission**

The program is for students who have been formally admitted into the Master of Athletic Training program. The MAT program will start in the summer 2025. To see all admissions requirements and to obtain admission materials, visit the [Athletic Training Program](#) page.

The Nebraska Wesleyan University Athletic Training program is accredited by the [Commission on Accreditation of Athletic Training Education](#).

### **Mission Statement**

The Athletic Training Program at Nebraska Wesleyan University prepares students for a career in athletic training by providing them the skills and knowledge to practice in a variety of settings while allowing opportunities for intellectual and personal growth within the framework of a liberal arts education.

### **Program Goals**

NWU's Athletic Training Program will:

1. Provide students diverse classroom and clinical experiences that allow them to be active learners.
2. Prepare students to pass the BOC exam. (Our goal is to have at least an 80% first-time pass rate.)
3. Develop students who act as ethical and responsible athletic training professionals.

### **Learning Outcomes**

Majors will be able to:

1. Demonstrate mastery of the knowledge, skills and abilities required of an entry-level athletic trainer.
2. Be prepared for employment in a variety of athletic training and healthcare settings.
3. Employ skills and communication techniques appropriate for serving diverse patient populations.
4. Recognize the importance of being involved in and network through professional organizations.
5. Value ethical principles and behavior required of a healthcare professional.

### **Departments/Programs:**

Health and Human Performance (Graduate)

### **Master of Athletic Training (M.A.T., 58 hours)**
