Nebraska Wesleyan University

ATTR 5530 Research in Athletic Training II

Catalog

2022-2023

Course Description

This course is designed to help students advance their understanding of the research process and the rationales for basic behavioral statistics. This class will focus on developing skills to conduct a research study, analyze results, and complete the research paper. Students will present their research proposal to recruit subjects, give an informal elevator speech regarding the state of their research project, and at the end of the course, formally present their research.

Course Hours
