Exercise Science (B.S.)
International Studies (B.A., B.S.)

#### **Minors**

Environmental Studies International Studies

## Departments/Programs:

Biology

An introduction to environmental science and scientific methodology using the environment as the system of study. The goals are to help the student develop a better understanding of the environment, gain insight into human-caused problems found in nature, explore the relationships of humanity with the environment, and provide practical experience in performing scientific measurements and experiments.

Three lectures per week.

One 3-hour lab per week.

Does not count toward a biology major.
