

Course:

ATTR 2950 Independent Study

1-4 hours

Departments/Programs:

Health and Human Performance (Undergraduate)

This is a research course. The student initially meets with the department chair to select a study topic and review research methods. At this time the student will be assigned a faculty resource person to guide his or her work and assist in an advisory capacity. A copy of the student's work is filed in the archives for the department. Independent Study may not duplicate courses described in the catalog.

Prerequisite(s): Permission of the department chair.
