Nebraska Wesleyan University

NURS 2100 Pharmacology I

Catalog

2023-2024

Course Description

Evidence based pharmacotherapeutic aspects of nursing care are introduced. Emphasis is on principles of safe administration of medications and common uses for major drug classifications. The relationships among technology, economic, and regulatory forces as well as collaboration with the health care team are discussed. Ethical and cultural considerations are explored across the lifespan.
Course is over 8-week period. 1 hour theory; 1 hour lab (NURS 2100L Pharmacology I Lab).
Prerequisite(s): Admission to the Traditional BSN program or permission from program director.

Corequisite(s): NURS 2100L Pharmacology I Lab.
