#### **Majors**

Criminology (B.A., B.S.) Sociology-Anthropology (B.A., B.S.)

#### **Minors**

**Environmental Studies** 

## Departments/Programs:

Sociology and Anthropology

This course is part of the Thinking SocioLogically cluster and is centered on reading, discussing and critically analyzing a wide variety of perspectives on the environment, using environmental sociology as a touchstone for synthesis. The topics range across classical and key debates. Students are encouraged to develop a personal environmental ethic to help frame their personal life choices and societal engagement.

Prerequisite(s): SOC 1110 Introduction to Sociology
