Nebraska Wesleyan University

Acting (B.F.A.)

Catalog

2023-2024

Program Description

This BFA Acting program develops your skills as an actor through experiences in the classroom and performance laboratory.

In recent years, our BFA students have participated in an average of five productions per year. Experience is drawn from a season that includes at least one classic text (like Shakespeare or from classical Greece), four musicals, and a wide variety of modern era and contemporary works from diverse playwrights. Students will work with faculty directors, guest artists, and with peers in student-directed productions.
