

HHP 2250 The History of Public Health

3 hours

Majors, Minors & Degrees:

Majors

Public Health (B.S.)

Minors

Public Health

Departments/Programs:

Health and Human Performance (Undergraduate)

Covid-19 has thrust Public Health into the spotlight, but the domain of public health includes many critical issues, including mental health, obesity and gun violence. From the first quarantines to the modern movement towards universal health care, public health has fundamentally shaped societies. In this course, you'll learn the role of the state in public health, the importance of public health, and how it's provided and practiced.
