

## CHEM 3520L Physical Chemistry Laboratory

1 hour

### Departments/Programs:

Chemistry

Continuation of CHEM 3510L Physical Chemistry Laboratory. The course is designed to accompany CHEM 3520 Physical Chemistry II, Quantum Chemistry and Spectroscopy.

One 3-hour lab per week.

*Corequisite(s): CHEM 3520 Physical Chemistry II, Quantum Chemistry and Spectroscopy.*

(Normally offered in the spring semester of odd years.)
