Nebraska Wesleyan University

NURS 4800 National Council Licensure Examination-Registered Nurse (NCLEX-RN) Preparation

Catalog

2024-2025

Course Description

This course will review all major nursing topics required for licensure examination and entry into the practice of professional nursing. The NCLEX-RN test plan, assessment of knowledge deficits, and development of individual study plans based on results of ATI will be utilized. The application of NCLEX principles will be utilized preparing the student for success on NCLEX. Students assess their own strengths and weaknesses of nursing knowledge through diagnostic tools and formulate a plan for areas of needed growth.

Prerequisite(s): Completion of all nursing courses with grades of "C+" or higher.
Corequisite(s): NURS 4450 Community Health Nursing for Traditional BSN Students, NURS 4450C Community Health Nursing Clinical, and NURS 4970 Internship – must be taken either prior to or at the same time as this course.
