

MSPAN 3610 Introduction to Translation II

2 hours

Departments/Programs:

Modern Languages

Dual-level course continuation of *MSPAN 3600 Introduction to Translation I* with increased time devoted to the translation workshop. Students will collaborate to produce original translations of complete texts. This course is designed for intermediate- to advanced-level language students and heritage and native speakers. Class will be conducted in both Spanish and English.

Prerequisite(s): MSPAN 3600 Introduction to Translation I or instructor permission.
