Nebraska Wesleyan University

STLF 2010 Job And Internship Search Review

Catalog

2024-2025

Course Description

The purpose of this course is to assist students in their major and career decision-making process through the integration of self-knowledge and research in the world of work. The course will examine the methods and practice of achieving career goals with emphasis on the exploration of career opportunities, resume development, cover letter composition, interviewing, networking, professional image, and the use of technology in achieving career goals. Students will develop the skills to assist them with job/internship search and career growth throughout their lives.
