Nebraska Wesleyan University

EDUC 5020 Core Themes and Applied Instructional Principles in American History, Civics, Government, and Geography

Catalog

2024-2025

Course Description

This semester-length evening course develops teacher knowledge of core themes in the history and principles of the United States Constitutional system to be applied across the identified honors courses. Teachers will apply that knowledge in teaching the inquiries they prepared during the prior summer and make a plan to adjust instruction based on evidence from student work and feedback from observations conducted in the applied practice course taught concurrently.
