Nebraska Wesleyan University

ART 2200 Intermediate Digital Media: Time Based

Catalog

2025-2026

Course Description

This course expands upon the fundamental concepts, strategies, and technologies that comprise expanded media [exm] within the art department: digital image, publications, video, and installation. emphasis is placed on forming ideas and strategies, and creating artwork that considers the core connections within exm: time, space, the body, the viewer, and society at large. computer-based technologies and time-based media that are inherent to an expanded practice will support studio projects.

Prerequisite(s): ART 1200 Introduction to Digital Media
