Nebraska Wesleyan University

POLSC 2200 Race and Politics

Catalog

2025-2026

Course Description

This course introduces students to the intricate relationship between race, ethnicity, and American politics. Through the analysis of pivotal historical events, legislation, social movements, and policy debates, students will gain a deeper understanding of the key challenges and opportunities associated with race and politics in the United States. This course aims to equip students with the knowledge and tools to participate in meaningful discussions on racial equality, social justice, and the future of American democracy.
