Education (Undergraduate)

This course provides an overview of basic concepts related to the inclusive education of differently abled students. A broad understanding of a range of low and high incidence disabilities will be explored. Historical factors, legislation, litigation, service delivery models, and cross-cultural issues are examined in the course. Students will complete a fieldwork experience that will allow them an opportunity to assist kindergarten, elementary, middle school, or junior high special education students for a designated period of time. No P/F.

(Normally offered each fall semester.)
