

Course:

HHP 2720 Introduction to Massage Therapy

3 hours

Majors, Minors & Degrees:

Minors

Exercise Science

Health and Fitness Studies

Departments/Programs:

Health and Human Performance (Undergraduate)

This course is an introduction to the field of massage therapy in rehabilitation programs and personal wellness plans. The class will address local, national and global perspectives, current research, history and development in the field. Laboratory experiences with methods in wellness massage are emphasized.

(Normally offered each fall semester.)
