Exercise Science (B.S.)

Public Health (B.S.)

#### **Minors**

Exercise Science

Health and Fitness Studies

Public Health

### Departments/Programs:

Health and Human Performance (Undergraduate)

A course designed to introduce students to concepts and practices relating to worksite health promotion. Students will learn how to develop, implement, and evaluate wellness promotion programs. Students will complete a 20-hour field experience in an assigned worksite in the community to provide invaluable experience.  
(Normally offered each spring semester.)
