Minors

History

International Policy

International Studies

Departments/Programs:

History

An in-depth study of one time frame across world cultures. The course is designed to introduce students to the uniqueness and interconnectedness of cultures in the global community. Historical dimensions of today's ethical and political concerns will be examined in order to foster responsible world citizenship. Course topics change regularly and may include a global survey of the twentieth century or the history of indigenous nations leading up to the Age of European Exploration. (Normally offered each semester.)
