Nebraska Wesleyan University

THTRE 1650 Musical Theatre I

Catalog

2025-2026

Course Description

This course focuses on development of musical theatre performance skills in the areas of singing, acting, and truthfully bringing a character to life on stage through song. Topics to be investigated include foundational acting technique, techniques of musical storytelling, vocal techniques for musical theatre singing, acting a solo song, and truth in musical theatre acting/performance. Each student prepares and presents a series of performance solo projects, beginning to build a repertoire of musical theatre songs.
Prerequisite(s): THTRE 1060 Introduction to Musical Theatre.
(Normally offered every spring semester.)
