ART 2550 Darkroom Photography

Catalog

2025-2026

Course Description

This course provides an introduction to the basic tools, techniques, and presentation of darkroom photography as an art medium. Throughout the semester, we will focus on the technical craft of using the camera, creating silver gelatin prints, and interpreting photographs. We will engage in the discussion and development of a vocabulary related to subject matter, form, and content of the photographic image through the study of historical and contemporary concerns related to the photographic image.
Prerequisite(s): ART 1500 Introduction to Photography.
