Nebraska Wesleyan University

SOCWK 5000 Social Work Purpose, Values and Ethics

Catalog

2025-2026

Course Description

In this course, students will be oriented to the NWU MSW program, as well as the social work profession. Students will develop an understanding of the social work profession by learning diverse perspectives around the values, ethics, and purpose of the profession. Students will explore and apply frameworks and models used for ethical decision making. Students will build and enhance professional writing skills.
