Nebraska Wesleyan University

POLSC 1010 United States Government and Politics

Catalog

2025-2026

Course Description

This course introduces students to government and politics in the United States. Drawing upon historical documents, political science research, and contemporary examples, this course examines the context, processes, institutions, and outcomes of the U.S. political system. Through the development of social science and critical analysis skills, students will be introduced to concepts and theories central to studying political science and understanding the contemporary political environment.
