Nebraska Wesleyan University

HHP 3250 Health Services

Catalog

2025-2026

Course Description

Health Services, the means by which healthcare is provided, is a critical concept in Public Health that impacts all of us. This course will introduce you to the modern history of healthcare in high, middle, and low-income countries and explore the evolution of health services. Students will evaluate the strengths and weaknesses of particular systems and policies and examine their ideal version of a health service in the context of current events.

No P/F.
