Nebraska Wesleyan University

THTRE 2670 Musical Theatre Theory and Musicianship I

Catalog

2025-2026

Course Description

Equips theatre students with a broad range of musical competencies for interpreting music in the musical theatre genre, including fundamental notation and basic score analysis including melodic, harmonic, and rhythmic components. Students will develop skills in sight-singing, ear-training and informed listening to prepare for a career in musical theatre.

(Normally offered every fall semester.)
