Nebraska Wesleyan University

THTRE 3740 Costume Design II

Catalog

2025-2026

Course Description

This course builds upon the theories and practices of costume design learned in THTRE 2730 Costume Design. The course involves study of both the history of costume and the techniques of designing costumes. It includes supervised work not only on the design but actual construction of costumes for the theatre. This course may be repeated once for credit.
Prerequisite(s):THTRE 2730 Costume Design or permission of the instructor.

(Normally offered spring semester of even years)
