

INNOV 1000 Ideas To Innovation

3 hours

Majors, Minors & Degrees:

Majors

Innovation and Entrepreneurship (B.S.)

Departments/Programs:

Innovation and Entrepreneurship

This foundational course introduces creative ideas, an entrepreneurial mindset, and a team approach to problem-solving. Throughout the semester, students will learn the technical, business, artistic, writing and speaking skills necessary to promote innovation. Students will apply models of innovation to develop and pitch their own original ideas and solutions to existing businesses in our community
