

Course:

EDUC 5040 Advancing Equity through Identity, Representation, and Agency in American History, Civics, Government, and Geography

3 hours

Majors, Minors & Degrees:

Certificates

Advancing Rigor and Equity in Social Sciences

This semester-length course provides teachers further practice with the core principles of guided inquiry with an increased focus on advancing equity by making coverage and instructional decisions focused on equity anchor concepts of identity, representation, and agency. Teachers will apply that knowledge in teaching the inquiries they prepared during the prior summer and make a plan to adjust instruction based on evidence from student work and feedback from observations conducted in the applied practice course taught concurrently.
