

BUSAD 5650 Storytelling With Data

3 hours

Departments/Programs:

Business, Accounting and Economics (Undergraduate)

Storytelling is one of the oldest and most powerful tools for action, and this course empowers MBA students to transform raw data into compelling narratives that drive business decisions. By the end of this course, you'll be able to create data queries and visualizations, integrate data into business planning, and effectively communicate your findings, helping organizations turn data into a strategic tool for competition and innovation.
