Nebraska Wesleyan University

THTRE 3860 Advanced Dance Techniques

Catalog

2025-2026

Course Description

Advanced Dance Technique is a course that focuses on jazz, ballet, and musical theatre technique for advanced/intermediate and advanced dancers. This is an intensive "master-class" style course that builds on the foundations and techniques explored in Musical Dance III, and focuses primarily on the building and maintaining of proper technique, conditioning, cultivating of stamina necessary for a musical theatre performer, and increasing of skills in picking up combinations quickly and frequently. This course can be repeated multiple times for credit. Prerequisite: THTRE-1620 THTRE-2620 THTRE-3620 or permission of the instructor.

(Normally offered every fall and spring semester.)
