

Course:

ART 2050 Professional Practices In Art

2 hours

Majors, Minors & Degrees:

Majors

Art (B.A.)

Art (B.F.A.)

Departments/Programs:

Art

Designed for Art Studio majors, this course emphasizes a hands-on, real -world curriculum in which students explore crucial aspects of professional artistic practice. Through a combination of seminar discussions, guest lectures, and workshop sessions, students will develop essential materials including artist statements, biographies, resumes, grant applications, and exhibition proposals. A key component will be the creation of a digital portfolio that highlights each student's individual research while strengthening presentation and documentation skills.
