THTRE 2610 Ballet 2

Catalog

2025-2026

Course Description

Ballet 2 is a continuation of Ballet 1. It explores foundational and intermediate ballet technique, specifically related to musical theatre. Students will be introduced to more ballet vocabulary, learn to implement and execute these steps, and become more adept in recognizing these steps in musical theatre choreography and combinations. This course may be repeated for credit. *Prerequisite: THTRE-1610 or prerequisite waiver from the instructor.*

(Normally offered every spring semester.)
