

Economics (B.A., B.S.)

Catalog

2026-2027

Program Description

Academically equivalent, both bachelor's of art and bachelor's of science will full prepare you for a career in economics. Economics is traditionally viewed as a liberal arts major and therefore students often choose the B.A. degree.

A minor or additional major is required.

Departments/Programs

1. Business, Accounting and Economics (Undergraduate)

Economics Major (B.A. or B.S., 45-47 hours). A minor or second major is also required.
