Nebraska Wesleyan University

PSYCH 2010 Professional Seminar

Catalog

2026-2027

Course Description

This course, intended for the newly declared psychology major, is a reflection upon the profession of psychology. The practicalities of being an undergraduate psychology major will be presented. Discussion of the student's future in psychology will emphasize professional issues with emphasis on graduate/professional school admission and/or employment opportunities after graduation.

Prerequisite: PSYCH 1010/PSYCH 1010FYW Introduction to Psychological Science and a declared major in Psychology.
