

Course:

ENG 2250 Topics in World Literature: Health and Illness

4 hours

Majors, Minors & Degrees:

Majors

English and Writing (B.A.)

Language Arts Education (B.A., B.S.)

Departments/Programs:

English

In this course, students will develop their critical reading and analytic writing skills through the study of literature. Course materials will include literary works from diverse national and historical traditions, all of which demonstrate particular cultural understandings of health and wellbeing.

Prerequisite(s): Any First Year Writing course.
