Nebraska Wesleyan University

SOCWK 5450 Professional Ethics and Leadership in Social Work

Catalog

2026-2027

Course Description

In this advanced course students will explore a variety of theoretical models for leadership and management. Students will assess their own leadership style and engage in self-reflection to explore their role as future leaders in the social work profession. Students will also review the challenges that face leaders in today's profession social work environment while upholding the ethical standards of the profession. Students will apply professional ethics and state and national laws to their practice as advanced social work practitioners.

Prerequisite(s): SOCWK 5300 Nature of Trauma and Traumatic Experience.
