Nebraska Wesleyan University

HHP 2250 The History of Public Health

Catalog

2026-2027

Course Description

Explore the history, principles, and practices of public health, focusing on designing and implementing effective community health initiatives and understanding the role of international agencies. No P/F.

This course is offered online through a consortium of accredited colleges and universities. Instruction is provided by faculty employed by partner institutions within the consortium, with technology and administrative support provided by Rize Education. Oversight of courses offered through the consortium are reviewed and approved by Nebraska Wesleyan University. Students register through Nebraska Wesleyan University and receive academic credit from Nebraska Wesleyan University.
