BUSAD 2450 Career Navigation & Exploration In Analytics

Catalog

2026-2027

Course Description

This course will help you find a job in Analytics upon graduation. Not just any job; one that excites you and meets your financial needs. In this course, you will explore career paths in Analytics, potential salary outcomes, and the skills you need to understand whether these salary outcomes will support you. This exploration will lead you to identify target jobs and opportunities. You will then plan the steps you need to take to achieve your goals and begin executing that plan.

This course is offered online through a consortium of accredited colleges and universities. Instruction is provided by faculty employed by partner institutions within the consortium, with technology and administrative support provided by Rize Education. Oversight of courses offered through the consortium are reviewed and approved by Nebraska Wesleyan University. Students register through Nebraska Wesleyan University and receive academic credit from Nebraska Wesleyan University
