Nebraska Wesleyan University

PROJ 3600 Agile Frameworks & Methodologies

Catalog

2026-2027

Course Description

When change outpaces planning and requirements keep shifting, traditional project management falls short. That's where Agile comes in-designed to thrive in uncertainty and deliver value in fast-paced environments. Here, adaptability beats predictability, and customer satisfaction takes priority over rigid plans. In this course, you'll learn to pivot with purpose, keep your team aligned, and impress stakeholders, even when the ground is constantly shifting.

This course is offered online through a consortium of accredited colleges and universities. Instruction is provided by faculty employed by partner institutions within the consortium, with technology and administrative support provided by Rize Education. Oversight of courses offered through the consortium are reviewed and approved by Nebraska Wesleyan University. Students register through Nebraska Wesleyan University and receive academic credit from Nebraska Wesleyan University.
